WHAT IS THE NARCOTICS ANONYMOUS PROGRAM?

Narcotics Anonymous is a non-profit fellowship of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. (Basic Text, Page 9)

WHO IS AN ADDICT?

Most of us do not have to think twice about this question. We Know! Our whole life and thinking was centered in drugs in one form or another. The getting and using and finding ways and means to get more. We live to use and use to live. Very simply, an addict is a man or women whose life is controlled by drugs. We are people in the grip of a continuing and progressive illness who's ends are always the same: jails, institutions and death. (Basic Text, Page 7)
